

SHARE FOOD.

BRING HOPE.

Dear Farah,

Thank you for supporting the work of The Food Bank through the Fall into Art event in 2017, that brought in a total of \$2,380.52 which will go directly toward helping feed the more than 100,000 people who rely on us every month.

From each can of tuna to every bag of rice, donations like those from your drive make a difference. Every dollar donated matters – in fact, for each \$1 The Food Bank receives, we are able to acquire and distribute \$21 worth of groceries, making a substantial impact on the lives of those facing food insecurity in our community. One in six adults and one in five children find themselves in that vulnerable position. Your contribution makes it possible for us to share food and bring hope to these neighbors in need.

The Food Bank works with more than 140 agencies across our 32 county service area to distribute much needed nutrition – organizations such as Salvation Army, Great Circle and Samaritan Center. We are the only food bank in the state and one of few in the country that provide food to these partner agencies at no cost. We are only able to do that because of the generosity of people like you.

We can make a much bigger impact when we work together. Thank you for helping The Food Bank share food and bring hope!

Gratefully,
