Dear Fall Into Art Committee,

Thank you for making The Food Bank for Central & Northeast Missouri the beneficiary of Fall Into Art 2016. The event raised \$2,013.04!

The Food Bank celebrated its 35th anniversary this year. Our mission is to share food with the working poor, single-parent families, single-income households, older adults on a fixed income, U.S. Veterans living in poverty and more. We are currently serving about 104,000 individuals every single month. We do this by partnering with food pantries, homeless shelters, senior centers, soup kitchens and other agencies in a 32-county service area.

We are one of six food banks in Missouri and the only one to provide food at no charge to our partner agencies. We are one of 205 food banks in the U.S. that make up Feeding America, which allows us to maximize every dollar through partnerships with national corporations and retailers.

While our mission is simple, it is made possible through the generosity of friends like you. We appreciate being included in this event for the past several years and hope to continue the partnership in the future.

Gratefully,

Nic Rogers
Development Officer
